

## ***What did you expect?***

***Dear Hacker (s),***

***We commend you on your work in getting this far! You clearly aren't amateurs; who knows, maybe you'll even foil one of our plans one day.***

***Unfortunately, that day is not today. The outcome of everything is predetermined, nothing you do can change that; and that we will achieve our goals is already set in stone.***

***It'd be best you use your time and skills elsewhere. There is no Free-ing Will.***

***Oh, and before I forget, your dear agent left you some final words:***
